SENATOR MURPHY: If you would be kind enough.

PRESIDENT: I think we have a problem of what is before the floor. The chair recognizes Senator Barnett.

SENATOR BARNETT: Mr. President, I just had a question of the clerk. Vince, I believe Senator Murphy asked for this amendment to be printed in the Journal and he now says that it hasn't been printed. Can you give us some explanation. This was two or three days ago. It was on LB 139.

SENATOR MURPHY: It was at the time the bill was advanced, Mr. Clerk, and I--

SENATOR BARNETT: He did request it from the floor because that's what we thought we was going to--the way we would solve the problem.

CLERK: Do you have another amendment on 139? I don't think we were ever given another amendment.

SENATOR MURPHY: You were handed an amendment, Mr. Clerk, and I believe I inquired of you yesterday if you did not, in fact, still have the amendment in your hands and you thought you did.

SENATOR BARNETT: I think this is our problem, Mr. President.

CLERK: It didn't get attached to the bill. We do have the amendment.

SENATOR MURPHY: Mr. President, in order not to consume important time, may I ask, may I have unanimous consent that this bill be bracketed right where it is until that amendment is, in fact, printed in the Journal and until I can receive an answer from Mr. Nelson whom I have asked two or three times in the hall.

PRESIDENT: Before I put that to the house, Senator Dworak, do you have any specific objection to this?

SENATOR DWORAK: No. Mr. President, I ask unanimous consent to withdraw my motion.

PRESIDENT: The clerk has suggested that we adopt the E & R amendments and then hold over. Senator Murphy, would you hold your request until after the adoption of the E & R amendments.

SENATOR MURPHY: Certainly.

PRESIDENT: The question then is, is there any further discussion on the adoption of the E & R amendment to 139? All those in favor signify by saying aye. Contrary. The amendments are adopted.

CLERK: We had understood that you were holding these amendments until further word from you. We did not print them in the Journal because we did not understand that to be your request. Do you now want them printed in the Journal.

SENATOR MURPHY: I do and I do believe the request was to print them at the time and that's fine, if we can hold the bill and print them now. Fine and possibly Mr. Nelson can help me in my understanding of this budget provision.

PRESIDENT: You are making a specific motion now, Senator.
